Land Only (transportation not included)

Passengers who choose to make their own individual air/ground travel arrangements may purchase a Land Only package. If a land only passenger arrives or departs separately from the group's air schedule they will be physically and financially responsible for arranging their own transportation to meet up with the group, wherever the group may be in their itinerary, and for arranging their own return transportation to the airport for their return flight.

Land-only pricing is as follows bellow. If a passenger registers as a land only passenger or changes their user profile to a land only at any time their payment amount will adjust automatically.
