Please note that any member may be designated as an alternate following summer training. Alternates are considered members and have all the same expectations and responsibilities. Alternates may only perform one or two segments of the fall show as opposed to three or four. At any time, an alternate may be placed into a full performing position. Likewise, a performing member may lose their spot due to grades, eligibility, finances, discipline, excessive absences, poor work ethic, or level of performance. In addition, **understand that all performers may not perform in every segment of the show.

CONGRATULATIONS!

You've been accepted in the Southmoore Color Guard Program! We believe that you possess the skills necessary to be successful this season.

We highly encourage those who were not accepted to audition again in the future as younger students tend to develop more motor and cognitive skills as they mature.

The summer calendar is currently being finalized. Our color guard packet and full summer calendar will be available at our mandatory parent meeting this Thursday, May 9th in the SHS Band Room. We recommend that at least one parent/guardian attend with their child. Please contact Susan Cruz at swessel@cnpschools.org if you cannot make meeting. We will be discussing the rehearsal schedule, dues, and requirements of being in the Southmoore Color Guard Program.
