

Southmoore Instrument Arts Program 2024 Winter/Spring Calendar

We have another fantastic spring semester planned. As you look over this calendar, please take note of the following:

- This calendar is up to date as of November 30, 2023 however, please review our band bulletins to confirm all times and events. Occasionally we must alter starting times and dates and add events.
- The calendar only *looks* busier than marching season. Students will average approximately one after school activity per week, sometimes less. **Not every date on the calendar pertains to every student in the band** (in fact most dates are guard/percussion dates). We have many different activities that occur in the winter/spring that are optional for our students. Take out your highlighter and mark the dates in which you are to attend.
 - All students participate in chamber music activities including the contest on February 10. Playing in smaller groups has become an emphasis of our program and has helped our band to raise their musicianship faster. Notice we designate most rehearsals as “percussion, woodwind or brass.” Make sure you attend YOUR rehearsal. We may add scheduled percussion ensemble rehearsals as well as a percussion ensemble recital in May. Check the bulletins.
 - All students perform on the March 14 Mid-Winter Concert and the April 25 Spring Concert.
 - WGPO = Winterguard and Percussion of Oklahoma – the organization in charge of administrating the Winterguard and Indoor Percussion Contest Circuit. We have four teams entered in the circuit, our Junior High, JV and Open Winterguards, and our Indoor Percussion Group. Please note, due to contest restrictions, these groups generally do not attend the same contests. Also keep in mind that students who voluntarily committed to Winterguard and Indoor Percussion agreed to a more active time commitment and a participation fee. Winterguard and Indoor Percussion dates are subject to adjustments due to rehearsal space that may suddenly become unavailable due to events outside our control. Make sure you keep up to date with the rehearsal announcements and the Guard/Perc Band App pages.
 - WGI = Winterguard International. This is the national organization in charge of administrating national level Winterguard and Indoor Percussion events.
 - Musical Orchestra Rehearsals will only involve those students that chosen as members of the Musical Orchestra (it plays in the pit for the school musical). Additional morning rehearsals will be scheduled.
- Attendance to after school rehearsals and performances are the major portions of your second semester grade.
- Like last year, in lieu of a June Brass/WW Camp – we will hold a May camp this season for marching band. Dates are listed. The full summer calendar will be available in April.
- Two a day rehearsal for next year’s marching season will take place July 29 – August 12, 2024. Please make sure you avoid vacations during this time. Full summer dates will be released soon (two-a- day rehearsal dates are solid).

We look forward to growing and learning together.
